Senses keep us safe

★★☆
Grade 2

Learning goals

- Explain how senses help us.

1 Which sense warns you? Explain. [6]

Danger	Sense	What you do
smoke from a fire	smell	get out and tell an adult
a car horn	hearing	stop and look
a hot cup	touch	pull my hand away

2 Why can't you see anything in a dark room with no light? [2]

We need light to see; with no light, no light enters our eyes.

3 Draw a sound that is loud and a sound that is quiet. [2]

loud
e.g. a drum, thunder

quiet
e.g. a whisper, a ticking clock

Raju uses his other senses

★★★
Grade 2

Learning goals

- Learn how people with sight loss use other senses.

Science | Caring for others

Raju cannot see, but he goes to school like everyone else. He reads books in **Braille**: little raised dots that he feels with his **fingers**. He uses a white cane to **feel** the path in front of him and **listens** carefully to the sounds around him.

Raju knows his friends by their **voices** and can tell what is for lunch by the **smell**. His classmates help by keeping bags off the floor and telling him when something moves.

A story about a learner with sight loss.

1 Which senses does Raju use? [3]

Sense	How Raju uses it
touch	reads Braille, feels the path with a cane
hearing	knows friends by their voices
smell	knows what is for lunch

2 How can classmates help Raju? [2]

Keep the floor clear, tell him when things move, guide him kindly.
