# The monsoon comes

★★★
Grade 1

**Learning goals**

- Read about the rainy season.

In June, dark clouds fill the sky over Bangladesh. Then the rain comes: the **monsoon**! Rivers fill up and the fields turn green.

Farmers plant rice. Children float paper boats. But too much rain can bring floods, so people listen to the weather forecast on the radio.

**1** **Write one good thing about the monsoon.**

water for rice fields; the land turns green

**2** **Write one problem the monsoon can bring.**
