Parts of the ear

★☆☆
Grade 2

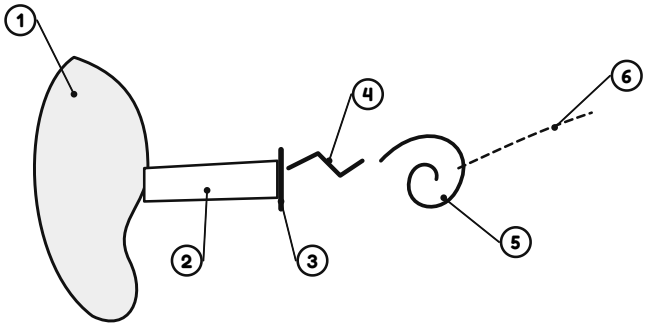

Learning goals

- Label the ear.
- Sort sources of light and sound.

1 Label the ear. [6]

LABELS

eardrum **nerve to the brain** **ear canal** **tiny bones** **outer ear** **cochlea**

1. outer ear
2. ear canal
3. eardrum
4. tiny bones
5. cochlea
6. nerve to the brain

2 Sort the sources. [6]

SORT THESE

bell **drum** **Sun** **candle** **bird** **lamp**

Sound source	Light source
drum	Sun
bell	lamp
bird	candle

3 **Fill in the gaps.** [3]

WORD BANK

eardrum **vibrate** **nose** **nerve**

Sounds are made when things vibrate. Sound makes the eardrum vibrate. A nerve carries messages to the brain.

Listening and staying safe

★★☆
Grade 2

Learning goals

- Explain how hearing helps.
- Suggest ways to block noise.

1 **How does hearing keep you safe when you cross the road?** [2]

I can hear cars and horns coming even if I cannot see them.

2 **Your classroom is next to a noisy road. Give two ways to make it quieter.** [2]

Close the windows; hang thick curtains; plant trees; put up "no horn" signs.

3 **Why do workers using loud machines wear ear muffs?** [2]

The ear muffs block loud sound and protect their hearing.

INVESTIGATE · C3 · HEARING AND SOUND

Which material blocks sound best?

★★☆ Grade 2

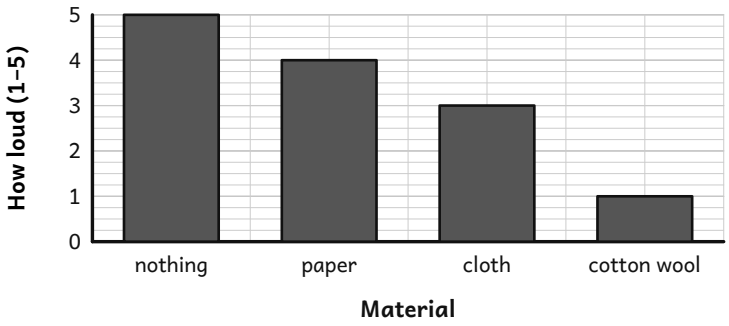

Learning goals

- Do a fair test.
- Compare results.

Class 2C put a ticking clock in a box and covered it with different materials. A child stood at the same place and said how well they could hear it.

1 **Complete the table and draw a bar chart (5 = very loud, 1 = very quiet).** [3]

Material	nothing	paper	cloth	cotton wool
How loud (1–5)	5	4	3	1

2 **Which material blocked the sound best?** [1]

cotton wool

3 **What did they keep the same?** [1]

the clock, the box, where the child stood

REAL-WORLD CASE STUDY · C3 · HEARING AND SOUND

Quiet near the hospital

★★★
Grade 2

Learning goals

- Think about noise and health.

Science | Health | Citizenship

Near a hospital in Dhaka there is a sign: "**Silent zone. Do not use the horn.**" Sick people need quiet so they can rest and get better.

But many drivers still honk their horns. Children from a nearby school made posters and talked to drivers. They asked them to keep the area quiet. Some drivers stopped honking.

A story about noise near a hospital.

1 Why do people in hospital need quiet? [2]

So they can rest, sleep and get better.

2 What did the children do? [2]

They made posters and asked drivers not to use their horns.

3 Draw a poster to ask drivers to keep quiet. [2]

My poster

e.g. a car with a cross over the horn: "Please, no horn near the hospital!"

Show what you know

★★★
Grade 2

Learning goals

- Use sound words.

1 Find the words.

S	H	N	O	I	S	E	A
O	B	G	L	V	T	I	F
U	A	Q	E	E	J	U	P
N	T	U	O	Y	A	M	C
D	S	I	D	N	Y	R	L
B	D	E	R	F	M	W	O
H	L	T	U	C	R	D	U
J	K	M	M	G	I	C	D

drum ear loud noise quiet sound

2 Which part of the ear vibrates like a drum? [1]

● **eardrum**
○ nose
○ tongue

3 Which is best for blocking noise? [1]

○ glass
● **thick cloth**
○ metal

4 Challenge. Draw three things that make sounds in your home. [3]

Sounds at home

e.g. a fan, a pressure cooker whistle, a phone, a doorbell.
