LET'S EXPLORE · A3 · PLANTS

Light or dark?

★★☆
KG

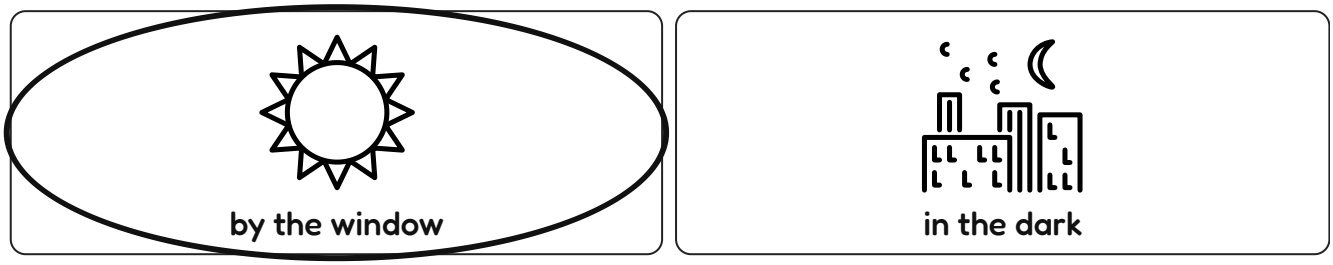

Learning goals

- Grow beans in light and in the dark.
- Compare.

For the grown-up

Plant beans in two cups. Put one cup by the window and one in a dark cupboard. Water both. Look after one week.

1 Guess: which bean plant will grow best? Circle it.

2 After one week, draw both plants.

By the window | In the dark

By the window: green and strong. In the dark: pale, thin and weak.

STORY TIME · A3 · PLANTS

The mango tree

★★★
KG

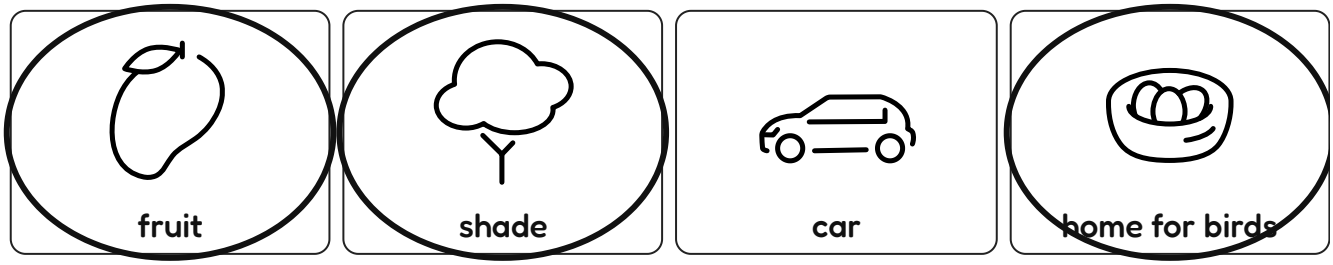

Learning goals

- Listen to a story.
- Say how a tree helps us.

Grandpa planted a mango seed when he was a boy. It grew and grew into a big mango tree.

Now children play in its shade. Birds build nests in its branches. And every summer the family eats sweet mangoes!

1 How does the mango tree help? Circle.
