# Imagine if...

Name

Date

**Our object, system or place:**

**1**

## ...it worked better

How could it do its job better?

**2**

## ...it was easier

How could it be simpler or easier to use?

**3**

## ...it was kinder

How could it be fairer or better for people and nature?

**4**

## ...it was more beautiful

How could it look, sound or feel better?
