REAL-WORLD CASE STUDY · A2 · LIVING AND NON-LIVING

A day at the village pond

★★★
Grade 2

Learning goals

- Find living and non-living things in a real place.

Science | Nature | Art

Tanvir visits his grandmother in the village. Behind her house there is a pond. Ducks swim on the water and lotus flowers float on top. Small fish dart under the water. A frog jumps from a lily pad. On the bank there are stones, an old boat and a tree.

Tanvir sits very still and watches. He sees a kingfisher dive and catch a fish!

A story about a village pond.

1 Find the living and non-living things in the story. [7]

SORT THESE

water frog lotus ducks old boat fish stones

Living	Non-living
ducks	stones
lotus	old boat
fish	water
frog	

2 Draw the pond. Draw two living and two non-living things. [2]

The pond

e.g. ducks and fish (living); water and stones (non-living).
